Week on the Water Camp

Join us this year for our fifth annual Outdoor Adventure Teen Camp! Campers will have the opportunity to participate in various outdoor activities: mountain biking, hiking, kayaking, canoeing, and rock climbing! Campers will engage in experiential learning to develop knowledge, leadership, communication and community. Outdoor Adventures offers six weeks of amazement for your camper with varying adventures every week. Below you will see two separate camp itinerary examples.

Teen Adventure Camp

Your camper will spend a week with certified instructors learning skills in several areas of outdoor adventures.

Monday: Intro to Paddling
Campers will learn basic paddling techniques while getting used to being in both kayaks and canoes.

Tuesday: Lake Paddle and Island Adventure
Campers will put their new found skills to use navigating across open water to find themselves on an island oasis.

Wednesday: River Kayaking
Now that your camper has gotten used to their new found skills we will help enhance their independence and self-confidence with a fun paddle down a local river.

Thursday: River Canoeing
We have spent enough time in kayaks. It is time to enhance teamwork and communication with a relaxing two camper canoe paddle down a scenic river.

Friday: Tubing and Splashing
After a week of learning new skills and self-discovery it’s time to relax and take it easy. We will be hanging out and getting our splash on while we tube down the beautiful Cartecay in scenic North Georgia.
