

Read the Label

Name: _____

Read the label in the life jacket and read the description of the life jacket. The important things to note are the type of life jacket, the intended use, whether it is approved by the U.S. Coast Guard, and the weight and chest size of the user.

Answer the questions that follow by circling Yes or No for each question.

Flotation Aid (Type III): Used for general boating in calm, inland waters and for the special activity that is marked on the label, such as water skiing. A person may have to tilt his or her head back to keep his or her face out of the water.
